Today on our commencement
As we take our final bow
to the four years we have spent
Which are slowly ending now
Gathered all together; letting out a
sigh
Now is the time that we all must say
goodbye
To some this brings a joyous smile
To others brings a tear.
As we begin to view life's mile
That now seems so unclear.
We take with us the memories that
seem right now so dear.
Thoughts of you will prevail through
the coming years.
And to the Class of '92
Good luck in all you do.

By: Patricia McCoy

As I walk out these red doors
Memories of both good and bad
flow.
I think of the last four years and
I begin to see how much we've all
grown.
Will we ever see each other again?
How much will we change until
then?
As I begin my this next stage of my
life,
I think of how many new friends
I will make in the next few years.
It gives me a little optimism
But I will never forget,
No matter how many new friends I
make,
My Life Long friends I made here at
OHS.

By: Jackie Bradford

"Graduation"

As we depart
Keeping our memories of OHS
We know our high school days
Had to be the best!
The good and the bad times,
Happy and sad times
We must remember all these days
As we leave, going our separate
ways

By: Kelly Clark

Graduation

As we step through those doors on
graduation day
All the smiling faces just seem to
fade away
Seniors laughing will be heard no
more
Because they are all wondering
what the future has in store
No more loafing around in the
halls
Or writing our names on the
bathroom walls
Little things like this mean a lot
to us
Like cafeteria food and riding the
bus
But most of all we will Miss our
friends
Some of whom we will never see
again
So through your times of
mourning and strife
Remember . . . OHS held the best
years of your life.

By: Stephanie Fletcher

I write a "things to do" list,
again,
For the hundredth time this year.
Biology, Chemistry, French,
and English
among many
many many
other "tasks."
I look outside
the sun shines bright
the birds chirp
I finish my "things to do" list

By: Dawn Evans

I look out the window
at the small but sparkling hill
Many heart-warming thoughts
fill my head.
"Graduation" is growing nearer
and our lives will slip
Apart, but knowing how much
care is between us. We
Will never be torn away from
the friendship that lies between
This heart and yours.
No matter what life takes
us through you will still be
a part of me and hopefully
I'll still be a part of you.

By: Erin Peters

I look around the room
at the faces on my friends
I remember all the good times
spent with each one
We've grown together,
loved together, cried together,
danced together,
sang together,
played together,
learned together,
and now we must leave —
alone

By: Dawn Evans

Smiling and laughter
Turns to sadness and tears
When we walk through those gym doors
We think of the last four years
The petty arguments, the childish fights
Parked up town on warm summer nights
Some friends we made
Some friends we lost
But your memories here
Can't be bought at any cost
In a single file line, Marching hand in hand
Teardrops fall with the sound of the band
All of the chairs lined up in rows
What the future holds none of us knows
As our bodies begin to separate
Our souls become as one
As we look around at where it all began
We will leave the gym with sadness and despair
But the love we have for one another will always be there
Our friends, our teachers and our school has really been the best
As we take one last look at us and OHS.

One of the many rallying points for international environmentalists was the Brazilian rain forest. Thousands of square miles of forest were being cut down and burned.

After all the twists, turns and tension, the closest of World Series ended in the closest of games between Atlanta and Minnesota.

Soviet President Mikhail S. Gorbachev and his family were placed under house arrest in the Crimea on August 19, 1991.

Terry Anderson emerged on December 4, 1991, from the dark hole of 6½ years of captivity in Lebanon and was handed over to U.S. officials, ending a brutal hostage ordeal for both himself and the United States.

The statue of the founder of the KGB was toppled while thousands of Muscovites watched. Freedom has come to the Soviet Union.

During the war in Iraq, Saddam Hussein's forces ignited hundreds of oil wells in Kuwait. Smoke belched from the torched wells for many months afterward.

Ronald Reagan threw open the doors of his presidential library on November 5, 1991. Desert Storm Commander General H. Norman Schwarzkopf gave a thumbs up to the crowd as he made his way up Broadway during New York's Operation Welcome Home ticker tape parade in June 1991.

On an April day in 1986, Mark Rypien awoke at 6:30 am . . . then waited all day and night to be told he had been drafted by the Washington Redskins in the sixth round. Rypien was named MVP of the Redskins 37-24 Super Bowl victory over Buffalo on January 26, 1992.
